

Puccini legacy discussed

Simonetta Puccini (centre), grand-daughter of the famed Italian composer, compares notes with Western Ontario Conservatory of Music Principal Carl Duggan over the score of the opera "Tosca". Looking on is Ann Summers of Toronto's Ann Summers Resource Centre for Career Per-

forming Artists, who arranged and sponsored Puccini's UWO visit. On Friday, Puccini, president of the Institute of Puccini Studies in Milan, spoke at Western and showed a film about her grandfather's work. Puccini is considered to be one of the most renowned composers of opera.
